For the parents of prospective first graders

You are invited to the “One-day School Trial and Parents’ Meeting” on February 5 (Thu.), 2026.

This is an opportunity for your child to experience what it is like to be a primary school student. Various activities with current first graders will help them look forward to starting school in April.

During that time, a meeting will be held for the parents to explain what you need to help prepare your child before they start school. We look forward to seeing you there, and answering any questions you might have.
